3. Natural Beauty Greenhouse (Parking Lot)
4. Chestnut Dr. in Hull (NW Side of Hesla Field- Parking Lot)
5. St. Paul's Lutheran Church (Parking Lot)

The Boyden-Hull School District and A'viands are working with the Iowa Department of Education Instruction to determine options for providing meals to students during our school closure. The Boyden-Hull CSD in cooperation with A'viands is able to offer "Free" Breakfast/Lunches to all children ages 0-18 years of age during this school closure. The meals are open to all children in both communities (not only Boyden-Hull students). We would greatly appreciate your participation in a brief survey to assist the District in planning to provide such breakfast/lunch options for your student.

Thank you for your feedback!
