Registrations

PLEASE READ THE FOLLOWING TWO STATEMENTS CAREFULLY:

1. Note: A student anticipating enrollment under Senior Year Plus must inform the school district of the intent to participate and the school district shall inform their students of the availability of the opportunity provided. We have received the information required and are aware that the above student is enrolling in concurrent enrollment courses. We approve the release of college grade(s) to the student's high school district. Textbooks are property of the school district and must be returned to the district.
2. I hereby consent to the release of all of my educational records from Northwest Iowa Community College to my parents and/or legal guardians and to high school personnel at the high school I am attending.

This registration will be given to Northwest Iowa Community College. Your final grade for the course(s) you are taking will become part of your permanent official NCC transcript.

Signature of Parent/Guardian (if student is under 18)

Signature of Student (Required)

Date

SECTION II (To be completed by high school official)

I verify that the student information in Section I is accurate and the student identified in Section I is eligible for participation in the Concurrent Enrollment Options Act.

High School Official Signature

Date

Important Information for Students and Parents

- * Every college class you take while in high school counts towards a college degree at NCC!!
- * If you enroll in a college class while in high school, your NCC college GPA & financial aid academic status starts then.
- * Taking concurrent enrollment classes in high school makes you eligible for more scholarships at NCC!
- * A "C" grade or higher is needed for the class to be eligible for transfer to other college and universities
- * Need more information on programs at Northwest Iowa Community College? Check out www.nwicc.edu
- * Tools/Supplies may be required for program enrollment, check with NCC for more information
